NOTE.—The total figures for 1947-48 cannot be made available at present for the following reasons:—

For each month, on the basis of the anticipated production of each factory for that month allotments for the different Regional Honorary Cement Advisers are decided by the Hon. Cement Adviser to the Government of India, New Delhi, and communicated to the respective Regional Cement Advisers towards the end of the each month. These allotments are distributed during the following month among the several demands by the Regional Hon. Cement Adviser.
